

key management systems

Simple, efficient key filing, with unmatched security and durability.

Product Catalog

The industry leader for over 50 years.

Telkee

The industry leader for over 50 years.

Telkee Management Systems are simple, efficient and systematic methods for filing your keys. They give you complete control, along with security and convenience. The keys in this line are numerically coded, so they are identifiable and accessible only to authorized personnel. The risk of theft is decreased to an absolute minimum. Whether you use 25 or 2,240 keys, Telkee has the system that's right for you. Telkee is the key management leader with more wholesale distribution and brand recognition than any other manufacturer of key control products. All cabinets are manufactured with heavy 18 gauge steel and have a gray powder coated paint finish which provides superior durability.

Key control systems may be purchased in three different ways:

1.

COMPLETE SYSTEM

(Includes all accessories as STANDARD) Includes cabinet (with lock & 2 keys), key gathering envelopes, hook labels, permanent key tags, (Includes all accessories as STANDARD) Includes cabinet (with lock temporary key tags, signature receipt forms, visible index software CD with electronic instruction book. 7. Limited One (1) Year Warranty.

Regent Wall Key Cabinet

A small key cabinet that is ideal for departments of large companies or for users with a small number of keys to control. The Regent is easily mounted on the wall to keep keys at your fingertips, but out of the hands of unauthorized personnel. Once a Regent has been installed, it may be expanded up to 125 keys by simply adding one or two "Swingomatic" key panels. Each panel holds 50 keys. Door has "no-sag", continuous piano-type hinge, and is equipped with nickel-plated brass, pin tumbler lock and two keys.

Color: Gray, 18 Gauge Cold Rolled Steel.

DIMENSIONS: 16 $\frac{1}{4}$ "h x 12 $\frac{1}{8}$ "w x 5"d

Complete System (With All Accessories)

Single Identification System (One Key Tag System)

Cabinet Only (Only Hook Labels Supplied)

Included Key Capacity	Max Capacity	Model Number	Model Number	Model Number	Estimated Shipping Wt. (lbs.)
